Current Position

- 2025–2027 **Postdoctoral Researcher**, ESADE Business School - Barcelona.
- Topic: Industrial Policy Evaluation (Spanish Startup Law) Advisors: Vicente Bermejo and Marti Guasch Mercadé (ESADE)

Research Areas

- Economics of Innovation
- Green Industrial Policy
- Environmental political economy

Technical expertise

- Causal inference and data science
- Spatial and network econometrics
- Natural Language Processing, LLMs
Advanced web-scraping
- Python, R, STATA, Bash, SQL, Git
- Patent-firm data, geospatial analysis
text-as-data

Languages

- English: Proficient
- Italian: Native
- French: Fluent
- Spanish: Fluent

Education

- 2020–2025 **Ph.D. in Economics**, Collegio Carlo Alberto and Università di Torino.
- **Job Market Paper**: "Climate Policy Uncertainty and Directed Technical Change: Evidence from European Firms" [link](#)
 - **Thesis** : "Three Essays in the Economics of Innovation: Geography, Green Technologies and Policy Uncertainty". Defense date: 25/01/2025. Advisor: Francesco Quatraro (UniTo) [link](#)
- 2017–2018 **M.Sc. in Economic Policy**, Utrecht University.
- Thesis: "The Impact of Airbnb on the Short-Term Rental Market in Italy"
- 2014–2017 **B.Sc. in Business and Economics**, University of Bologna.

Research stays

- 2023–2024 **Visiting Ph.D. Researcher**, Universitat de Barcelona (Regional Quantitative Analysis Group).
- Topic: Breakthrough technologies and international collaboration in patenting. Advisor: Rosina Moreno (UB)
- 2022–2023 **Visiting Ph.D. Researcher**, Universitat Autònoma de Barcelona (Institut de Ciència i Tecnologia Ambientals).
- Topic: Climate Policy debates in Social Media Platforms. Advisor: Jeroen van den Bergh (ICTA-UAB)

Professional Experience

- 2024–2025 **Research Fellow**, Università degli Studi di Milano-Bicocca.
- Topic: Global Production Networks participation and wage inequalities. Advisor: Laura Resmini (Unimib)
- 2020–2021 **Research Consultant**, University of Glasgow.
- Topic: A Data Science approach to the history of European Union formation. Advisor: Emmanuel Mourlon-Druol (EUI)
- 2018–2020 **Research Analyst**, Bruegel (Brussels), European Economic Policy.
- I worked as a Research Analyst for the European think tank Bruegel. I co-authored and contributed to several projects related to Economic Complexity and green innovation, green industrial policy, digitalisation and labour markets, European public opinion, and urban inequalities. My responsibilities encompassed the design of advanced data collection methods, including scraping, browser automation, and the analysis of patent, survey, regional, and macroeconomic data. In this role, I conducted empirical research for academic and policy reports using panel data econometrics, network analysis, and Natural Language Processing. I have drafted academic articles, policy reports, and blog posts for the general public, and I have contributed to the application and execution of public research grants.
- Fall 2016 **Internship**, Nomisma (Bologna), Real Estate Economics.
- I carried out a research internship at the Italian Real-Estate think tank Nomisma. I have contributed to projects relating to automated data collection via web-scraping, and spatial data analysis.
- 2015–2016 **Internship**, ActionAid (Bologna), NGO.
- I worked as a consultant for the NGO ActionAid. I contributed to the data collection and network analysis of public procurement contracts, in the context of anti-corruption initiatives following natural disasters.

Grants participation

- **PRIN PNRR:** *"GVCs' trends and regional growth, a territorial perspective."* (2024-2025) Postdoctoral Research Fellowship at University of Milano-Bicocca under NextGenerationEU, PRIN-PNRR (2022) funds, grant ID P2022KZS42. Total grant amount: €138.062. I contributed to technical deliverables on the topic of Global Value Chains participation and income inequality from a regional perspective.
- **TWIN-SEEDS :** *"Towards a World Integrated and Socio-economically Balanced European Economic Development Scenario"*. (2024-2025) Horizon2020 Grant Agreement ID: 101056793. Total grant amount €2.707.496,50. I participated to WP6 and WP7 of TWIN-SEEDS with University of Milano-Bicocca, through development of technical papers employing economic complexity methodologies to track regional participation and upgrading in Global Value Chains for EU regions.
- **COP21:RIPPLES** *"COP21: Results and Implications for Pathways and Policies for Low Emissions European Societies"*. (2018-2019) Horizon2020 Grant Agreement ID: 730427; total grant amount €2.986.923,75. I contributed to the development of deliverables, technical papers, policy reports, dissemination events and high-level workshop organization.

Other activities

- **Workshop organization:** I organized the yearly PhD Workshop in Economics of Complexity, Innovation and Knowledge (WICK) in Turin, collaborating with the Institute for New Economic Thinking's Young Scholar Initiative (INET-YSI). My responsibilities encompassed securing funding, overseeing all logistical aspects of the event and facilitating interdisciplinary scientific dialogue for the 2021 to 2023 editions.

Conferences and seminar presentations

- RSA annual conference - Regional Science Association. Porto, Portugal. (May 2025)
- Harvard Growth Lab - Internal Seminar Series, JMP presentation. (May 2024)
- CARMAConf - Internet and Big Data in Economics and Social Sciences. Seville, Spain. (July 2023)
- DRUID2023 - Nova Business School, Lisbon, Portugal. (June 2023)
- Regional Quantitative Analysis Group Seminars, University of Barcelona - Barcelona, Spain. (May 2023)
- PhdDays INGENIO - Valencia, Spain. (February 2023)
- KID2022 Knowledge Dynamics, Industry Evolution, Economic Development - Nice, France. (July 2022)
- PhD Course on Economic Geography - Utrecht, Netherlands. (May 2022)
- Impresso Talks, Luxembourg Centre for Contemporary and Digital History (CD2H), Esch-sur-Alzette, Luxembourg. (December 2019)
- European Conference on Corporate R&D and Innovation CONCORDi. Joint Research Center - Seville, Spain. (October 2019)
